WWI INFANTRY

Der Erste Weltkrieg, von Historikern auch als „Urkatastrophe des 20. Jahrhunderts“ bezeichnet, wurde von 1914 bis 1918 geführt. Der Ansturm des deutschen Heeres zu Beginn des Krieges nach Frankreich hinein kam sehr bald zum Stillstand. Von da an bestimmte der Kampf in den Schützengräben das Geschehen auf den westlichen Kriegsschauplätzen. Großbritannien stand an der Seite seines Verbündeten Frankreich. Das Kriegsende wurde mit dem Waffenstillstand vom 11. November 1918 besiegelt.

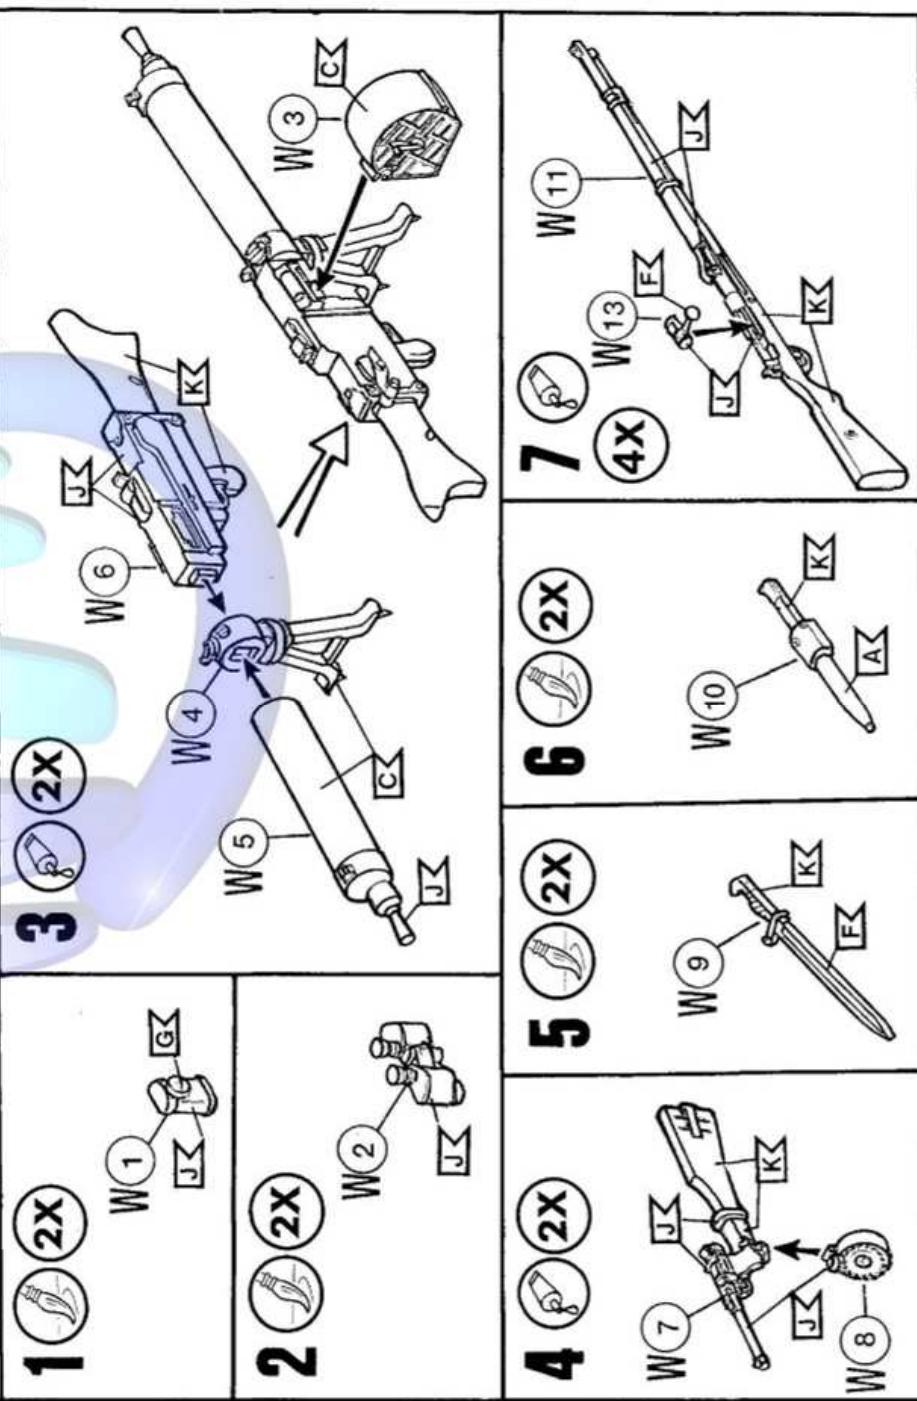

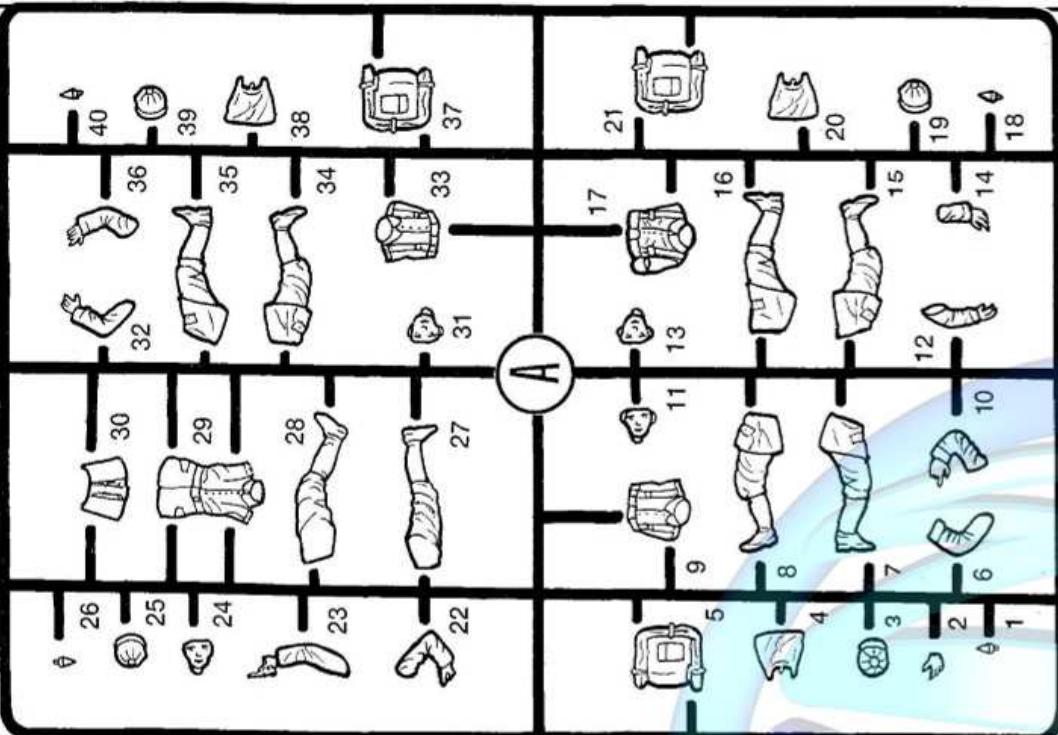

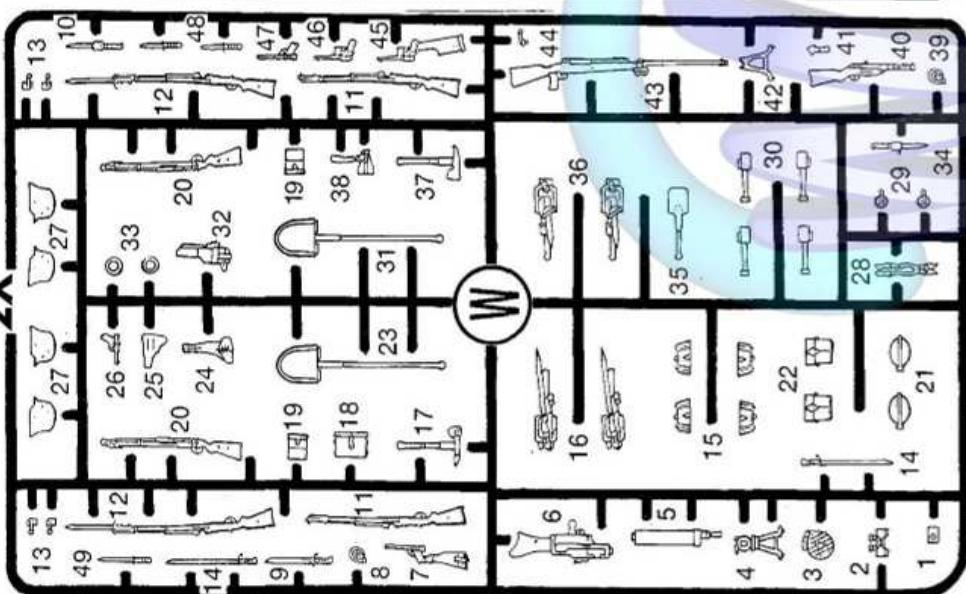

WWI INFANTRY

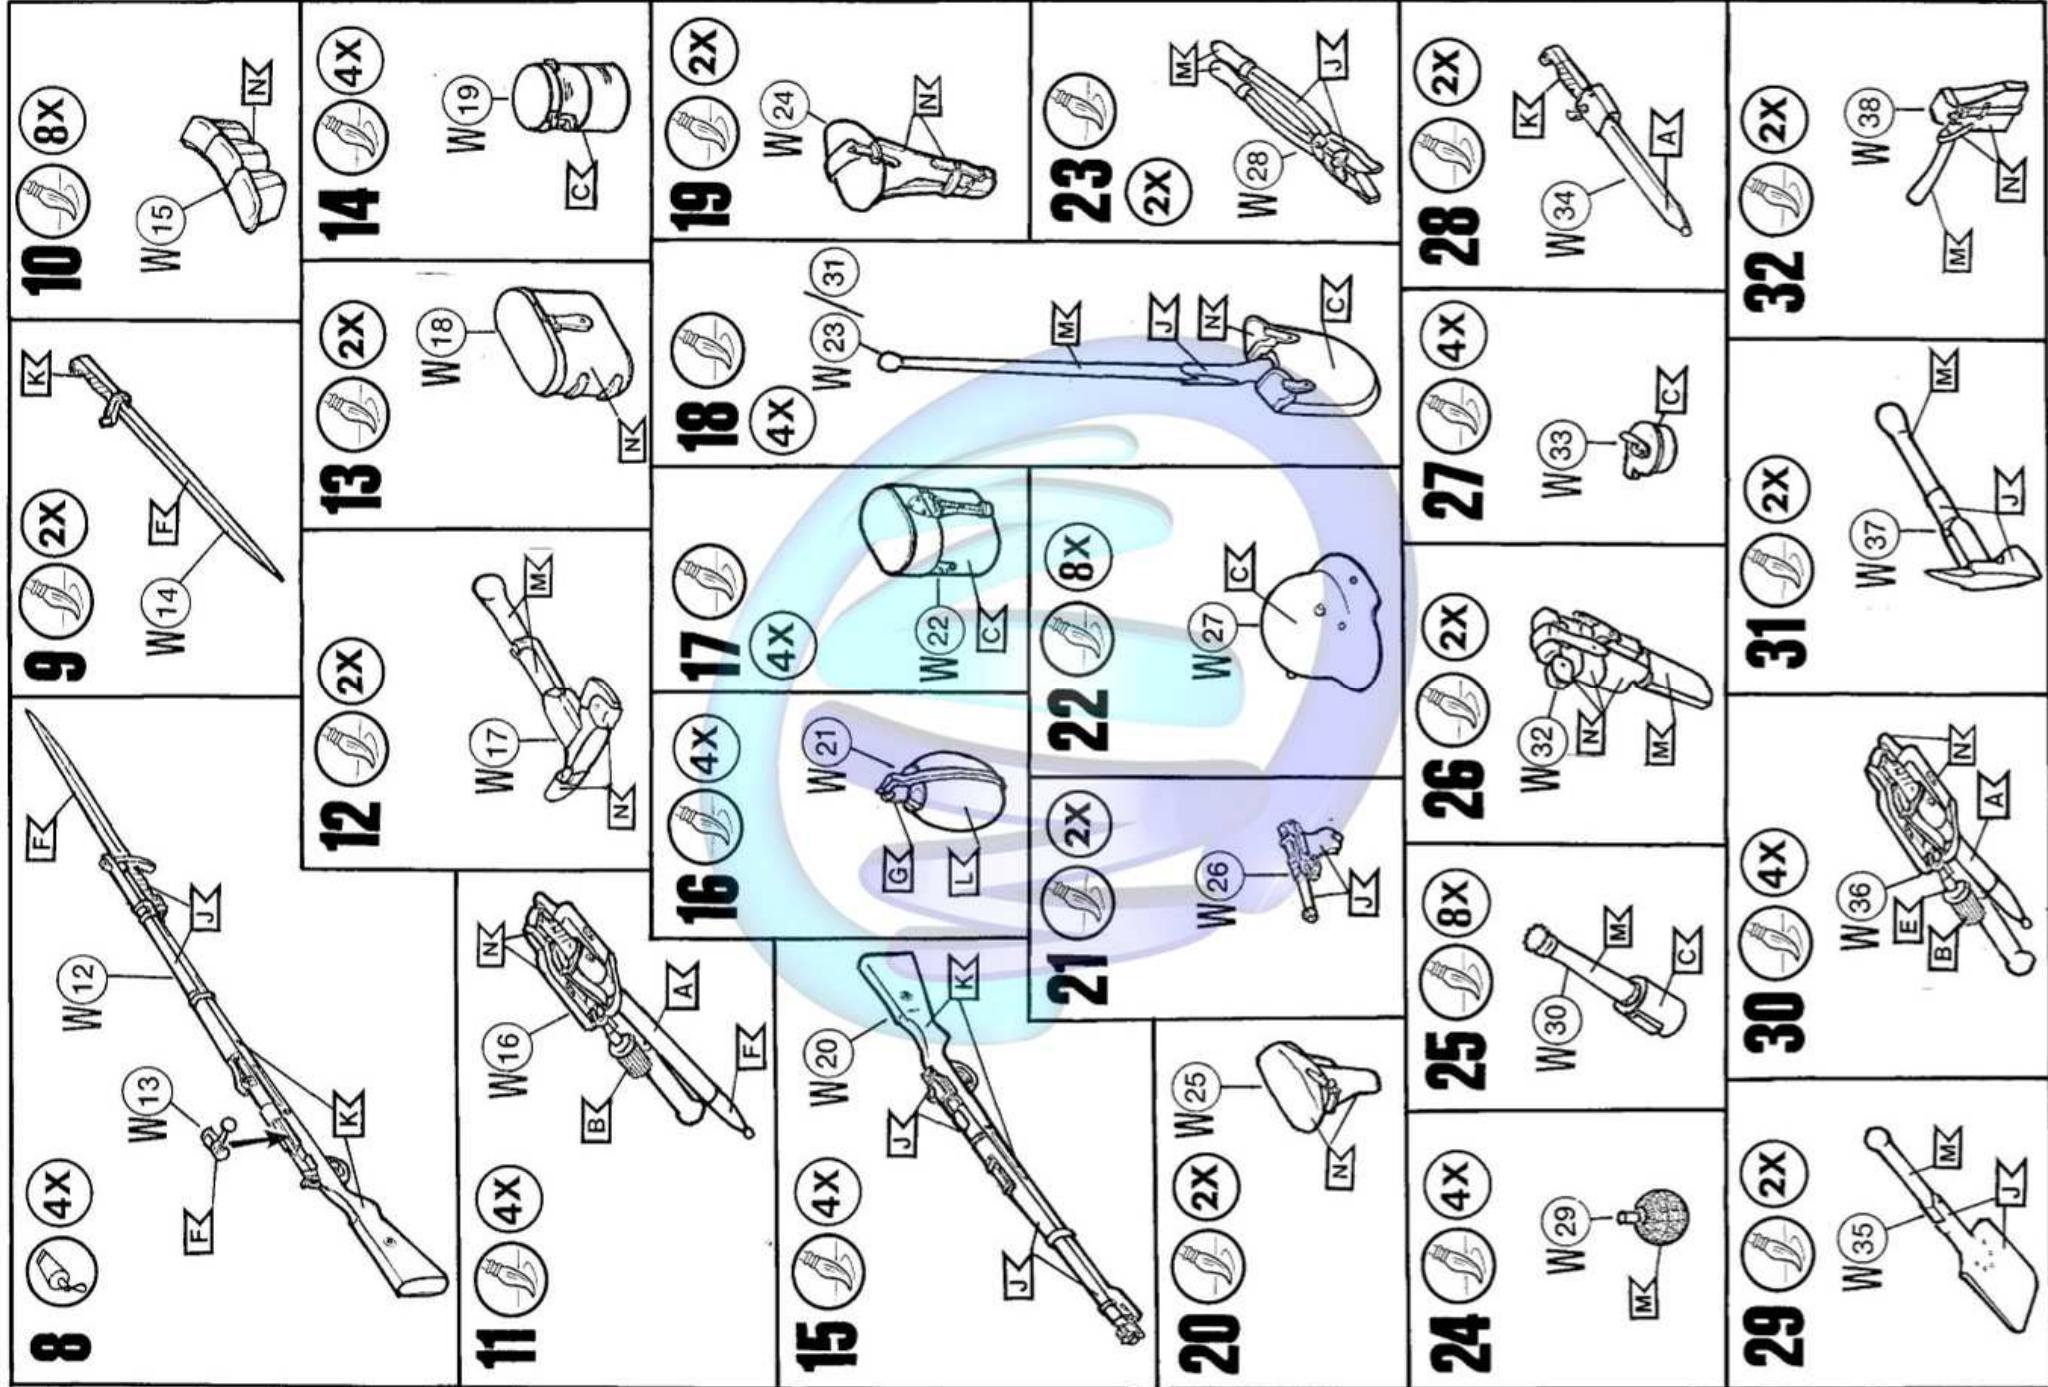

The First World War also referred to by historians as the greatest catastrophe of the 20th century was waged from 1914 to 1918. The German Army's advance into France at the beginning of the war was soon halted and from thence onwards the battle of the trenches decided the run of events on the Western Front. Great Britain stood at the side of its ally France. The end of the war was sealed with the Armistice on 11th November 1918.
